Vedat Update

"For we know that in all things God works for the good of those who love him, who have been called according to his purpose."

- Romans 8:28

On July 2nd, Vedat (our friend from Montenegro who we have brought to the US for spinal surgery and recovery) injured his back and has suffered a set back in his physical healing. We praise God that he was able to return to Shriner's hospital in Chicago where he will receive excellent care and intensive rehabilitation. Please keep him in your prayers. Cards, pictures or letters of encouragement would be greatly appreciated! They can be mailed to Shriners Hospitals for Children, Attention: Vedat Sutaj, 2211 North Oak Park Ave., Chicago, IL 60707. Vedat's care team covets your prayers during this time of uncertainty. There is always room for more members on Vedat's team!! Please contact Martin Olson at mgo6302@verizon.net if you would like to become a member of Vedat's team. There are many needs!!
