

## ***December 2009***

Vedat is growing more sensitive to living a life pleasing to God and takes many opportunities to witness to his friends at school. He continues to tell his volunteers that his desire is to be a soldier, a soldier of God!!

Vedat has progressed in physical therapy to a walker with rolling front wheels, while wearing a brace to stabilize his legs! More drivers are needed on Tuesdays and Thursdays to drive Vedat from Gainesville to Manassas for therapy appointments. Please contact Martin Olson at [mgo6302@verizon.net](mailto:mgo6302@verizon.net) if you are able to help.

Meals are provided to Vedat and the Hatcher family twice a week. Additional help is needed in this area. Many options are available, including donating gift cards from restaurants or grocery stores. Please contact Kelsey at [klinderman1@verizon.net](mailto:klinderman1@verizon.net) if you can help.
