### **Pray for Vedat and Vedrana**

*(This is what we know about the schedule at the writing of this article- 1/15/07)* Vedat and Vedrana will be heading to Chicago on February 5 and Vedat will be placed in traction at Shriner's on the 6th. He will remain at the hospital until his surgery date on or about March 6. Please pray for his physical, emotional, and spiritual well being during this intense period. Vedrana will be staying some at the hospital, but mostly with a host family. Pray that our God would give her strength, endurance, peace, and joy as she continues to care for Vedat. Also, pray for Stacey Shepherd who will be working closely with all the surgery proceedings. To God be the glory!!!
