Vedat Update

Vedat's surgery is rapidly approaching and there have been a few changes to the surgery plan. He will have his pre-op appointment at Shriner's in Chicago on Jan. 26. Then instead of two consecutive sur-

geries, he will return to Shriner's on Feb. 6 to be placed in traction for one month. At the end of the traction period, he will have just one spinal surgery. During Vedat's time in Chicago, Vedrana will be staying with a family from Wheaton Bible Church who was linked with CBC through the Jim Lewis family. Please continue to pray for Vedat, Vedrana, and Stacey Shepherd who is working closely with all the medical proceedings. Also, pray for the family in Wheaton who will be hosting Vedrana.
