

March 2010

Vedat Update and Upcoming Reception

Vedat survived the blizzard of 2010, his first ever!! While snowed in, he enjoyed a relay race making sandwiches with the Hatcher family. He also enjoyed playing many, many games. Vedat also completed the first half of his first year in high school!! Considering the fact that four years ago he didn't speak any English and had attended very little school, this is something to praise God for! He loves school and is excited about learning new things.

Vedat continues in biweekly physical therapy. It is getting easier for him to put the leg braces on by himself and walk with his walker, allowing him more independence. He is also able to get up and down the stairs and into his wheelchair by himself.

We are so thankful that we have added a few more respite caregivers to the team! Vedat has enjoyed spending time with these new families.

As always, more team members are always welcomed!! If you are interested in joining the Vedat team please check out the website at www.bcvva.org/vedat or contact Martin Olson at mgo6302@verizon.net. **Also, please plan to join us at the reception for the Vedat ministry on Sunday, March 21 after the 11:00 am service.**
