### **Vedat Update**

Pastor Bill is traveling to Montenegro on April 26 – May 3 to research and gather information for the possible return of Vedat to his home in Podgorica. Please pray for this very important trip that will help determine our future planning. Pray that we will gather the information we need, so that we can make the best decision in regards to Vedat's future.

**PRAISE THE LORD!!!** God has raised up a host family for the next school year for Vedat!! Will you please pray that God would also call a host family for the summer. Vedat will need a "foster family" beginning the last week of June through the first week of September. If you feel God calling you to share HIS love with Vedat for the summer please contact Agnes Welch at [bnawelch@yahoo.com](mailto:bnawelch@yahoo.com).

We asked those who have helped with Vedat through the past few years to share how Vedat has impacted their lives. Here two of the stories... "God has become more real to me than ever before. Vedat has reminded me that sometimes it is OK just to live in the moment. Vedat has shown me how one young man can impact a whole people group, unknowingly. I admire Vedat's love of family and relationships. I am awestruck by his 'keep on going' mentality. He has not given up." and "While we thought we were serving or helping out Vedat, in actuality he has blessed us and touched our hearts."

Isn't it true that it is more blessed to give than to receive? Won't you consider opening up your home and heart to Vedat? Even if just for a day, a weekend, a week, a month or the entire summer, you will be blessed beyond your wildest imagination!! As always, checkout the website for more details on how you can join the Vedat team at [www.cbcva.org/vedat](http://www.cbcva.org/vedat).
