

November 2008

Vedat Support Team Renewed

Vedat arrived in this country in March 2006 and has had quite an adventure. There were a number of host families before his surgery in March 2007. When he returned from Shriners's Hospital for Children in Chicago in July 2007, he stayed with the McCarthy family. Throughout this time, there was a Support Team working behind the scenes supporting him and his host families.

This July, the Elders affirmed supporting of Vedat for another year. Since then, he has joined his new host family, Bill and Grace Hatcher. At the same time, the Support Team is being renewed in members and functions. The team is applying what has been learned and gained from the previous years of support experience, especially from the last year Vedat spent with the McCarthys.

The Support Team functions include: meals, drivers, respite care, communications, prayer, travel, language, family contact, and medical. While some new people have been added in this renewal, there is still a great need for other servants to join the Team and serve in this important outreach to Vedat, as well as to his family and village in Montenegro. If you are willing to help or would like to know more about these opportunities to serve, please contact the Team Family Coordinator, Martin Olson at 703-830-7880, or mgo6302@verizon.net.
